

## **NEW WEBSITE – Some Changes**

**LOGIN** – Click on the person icon located on the upper left hand side. You will have to use your email address as your username. Then you will have to establish a new password. To establish a new password click on “Forgot Password” located under the password box. It will then send you to a page where it asks you to type in your e-mail address and the security code. If you are unable to read the security code, click on the small box with 2 arrows in it to see a new CODE and try again. Please note the CODE is not case-sensitive.

Once you complete this step it will send you an e-mail with a link. Click on the link and follow the instructions for establishing a new password. The password must at least **6** characters long. If you share an email with your partner, please contact Peaches. The username must be unique for each member.
